Getting to MIRA Technology Park

MIRA Technology Park - the home of Europe's largest automotive R&D cluster.

Sat Nav Postcode: CV100TU

From the North

M1 A. 1) At Junction 23A of the M1 take the A42 south (towards Birmingham). **2)** Where the A42 becomes the M42 (at Junction 11) take the A444 south towards Nuneaton. **3)** At the A5, turn left. MIRA Technology Park is on the left after 1 mile (1.6 km).

M1 B. 1) Continue south to Junction 21 of the M1 and take the M69 towards Coventry. **2)** Then, take the A5 (Junction 1 of the M69) heading north towards Tamworth. **3)** Continue on the A5 over three roundabouts following signs for Tamworth. At the first traffic light junction continue straight-on and over the next roundabout. MIRA Technology Park is then on your right after about 1 mile (1.6 km).

From the North West

M6 A. 1) At Junction 4a of the M6 take the M42 heading north towards Tamworth. **2)** At Junction 10 of the M42 take the A5 south towards London. **3)** After about 7.5 miles (12 km) you will pass the A444 Nuneaton crossroads. MIRA Technology Park is on the left about 1 mile (1.6 km) past this junction.

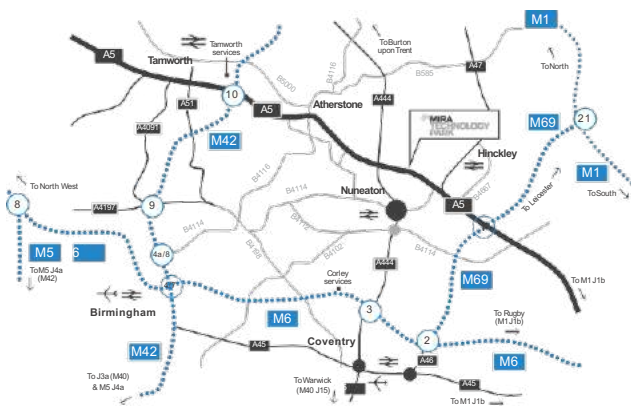

M6 B. 1) Continue south on the M6 to Junction 3. **2)** Take the A444 north into Nuneaton. **3)** After reaching Nuneaton, follow signs for the A47 Hinckley until you reach the A47 T-junction with the A5. **4)** Turn left onto the A5 towards Tamworth and then straight-on at the roundabout. MIRA Technology Park is then on your right after about 1 mile (1.6 km).

From the South

M1. 1) At Junction 18 of the M1 take the A5 north. **2)** After reaching the A5 intersection with the M69, then follow instructions from 'M1 from the North - B.2 above.

M40. 1) At Junction 15 of the M40 take the A46 north towards Coventry and the M69. **2)** Stay on the A46 around Coventry, following signs for the M69 Leicester (the A46 eventually merges onto the M69) **3)** At Junction 1 of the M69 take the A5 north towards Tamworth, then follow instructions from 'M1 from the North - B.2 above.

M5. 1) At Junction 4a of the M5 join the M42 north. **2)** At Junction 10 of the M42 take the A5 south towards London. **3)** After about 7.5 miles (12 km) you will pass the A444 Nuneaton crossroads. MIRA Technology Park is on the left about 1 mile (1.6 km) past this junction.

Visiting by Car

Upon arrival, please report to Security who will direct you to the car park. The postcode for our head office is: **CV10 0TU**.

Visiting by Train

The average journey time between London Euston and Nuneaton is 1 hour and 7 minutes.
The closest train station is Nuneaton (10 minutes by taxi).
Visit www.nationalrail.co.uk to plan your journey.

Visiting by Bus

Arriva's Hinckleybus allows visitors and employees to travel from Nuneaton and Hinckley town centres to MIRA Technology Park. The buses stop at the stations in Nuneaton and Hinckley every 30 minutes and also connect with Atherstone and Tamworth every hour throughout the day.

For the latest timetable please refer to www.arrivabus.co.uk/midlands

The bus stop at MIRA Technology Park is referenced as 'Higham-on-the-Hill MIRA'.

Visiting by Taxi

Please ensure your taxi remains on site while you sign in at Security as you may require the transportation to take you to your meeting location (we do not operate a shuttle bus service on site).

Our Customer Liaison staff can assist with the organisation of taxis following your visit to MIRA Technology Park.

Visiting by Air - Birmingham Airport

The nearest international passenger airport is Birmingham International Airport, located 40 minutes away (approx 23 miles).

Visiting by Air - Heathrow Airport

Heathrow Airport (also known as London Heathrow) is a major international airport in London. Heathrow Airport is located 2 hours away (approx 110 miles).

Confidentiality Agreement

All visitors need to sign our confidentiality agreement on arrival.

What should I expect on my arrival at MIRA Technology Park?

Your host will advise you which security Gate to register at when you arrive. As you approach the Gate, please pull into the car park on the left hand side of the road before walking to the Gate (all vehicle occupants will need to be registered). Drivers will be issued a parking permit upon their arrival. If you require any assistance please call Customer Liaison on +44 (0)24 7635 5000 or Security on +44 (0)24 7635 5229.

No Photography Policy

MIRA Technology Park has a no photography policy due to the sensitivity of projects taking place, therefore camera equipment should not be brought to site. Mobilephones and other imaging devices (laptops/tablets etc) should be declared at Security upon arrival so a sticker can be placed over the camera lens. Please have your imaging devices ready for Security. Should you need to bring camera equipment on site, please advise your host as you will need to complete a permission form 24 hours before arrival.

Cycle Parking

There are some cycle hoops opposite Gate 1 and outside our Control Centre. Bicycles must be stored in the cycle parking areas only.

Smoking

Smoking on MIRA Technology Park is only permitted in designated outdoor areas. Please contact your host for the nearest designated area.

Quiet Room

Quiet rooms can be allocated (subject to availability). Please contact your host or Customer Liaison on ext. '0' for further information.

Wi-Fi

To connect to Wi-Fi search for the 'Guest account'. No password is required to connect.

Important Information

HORIBA MIRA and MIRA Technology Park is a secure R&D location where confidential vehicles frequently operate and where potentially hazardous activities are conducted in facilities under controlled conditions. To ensure you have a successful and safe visit, please be aware that we have some site specific controls in place that we ask you to respect.

We encourage all our visitors only to attend site if they are feeling well. We operate general infection control guidelines, which may include the use of face coverings in certain areas where a Safe System of Work (SSoW) is in place and good hygiene and cleaning controls to keep everyone safe.

All speed limits and other signposting must be strictly observed. Visitors must comply with all road signs, safety signs and prohibited area signs.

It's illegal to ride a motorcycle or drive using hand-held phones or similar devices. The rules are the same if you're stopped at traffic lights or queuing in traffic.
www.gov.uk/using-mobile-phones-when-driving-the-law

If you are driving to our site, Security will issue you with a parking permit upon your arrival. Please ensure this is displayed in the front of your vehicle at all times.

Visitors shall respect the confidentiality of others using the MIRA Technology Park facilities and whilst on the premises shall not approach or inspect any vehicle with which they are not specifically concerned.

Information obtained regarding any matter other than that connected with the purpose of the visit shall be treated as totally confidential.

No Photography

This pass is only issued to MIRA Technology Park visitors following a written undertaking that there are no cameras in the vehicle. Cameras may only be taken into the premises with the prior written authority of the Senior Operations Manager of MIRA Technology Park or The Proving Ground Manager.

Some facilities on site require visitors and staff to wear PPE at all times e.g. high-vis, safety shoes. Please contact your host before your arrival to ensure that you have the appropriate PPE to allow you to access such facilities.

Contractors will only be admitted to site on production of a valid Contractor's Agreement in respect of the area to which access is requested, or if a current permit authorising work by a contractor in the requested area is held on file by Security.

Visitors to the MIRA Technology Park should ensure that any lifting tackle, portable electronic equipment/tools, compressed gas equipment/tools or equipment/tools otherwise powered brought onto and used on the premises are regularly tested and certified to show compliance with the Health and Safety at Work Act 1974.

In the event of a fire alarm or any other emergency, all visitors must comply with the directions of HORIBA MIRA staff or Security. When the fire alarm is heard, visitors should assemble at the nearest FIRE ASSEMBLY POINT.

Animals are not permitted on site (other than registered guide dogs of permitted visitors). No children under 16 are allowed on site unless they are part of a scheduled visit.

Admission to certain facilities requires proof of the satisfactory medical condition to the user.

It is your responsibility to comply with the Wireless Telegraphy Act 2006. Please ensure you have declared all radio transmitting equipment to the gatehouse on arrival and can demonstrate its compliance.

All visitors and users of the Proving Ground and ASSURED CAV facilities must report to the Control Centre, check in with Track Control and take a radio BEFORE accessing these facilities through the entry barriers.

Meeting Rooms

Control Centre

We have 5 conference suites located in our Control Centre ('N9' on map). These can be hired for a fee and are booked through your host. To ensure our conference rooms are adequately ventilated and to assist in our general infection control measures, occupancy limits are set on all our conference rooms for all attendees comfort and safety.

Refreshments can be booked in advance of your meeting. Please contact your host who will be happy to discuss requirements and costs.

Each room has a box of accessories to assist with your meeting.

Should you find anything missing, please make the Customer Liaison Team aware.

Equipment in the Control Centre:

- HDMI cable
- VGA cable
- Audio cable
- 13A extension cable
- Instructions to use AV equipment (TV screens for presenting)
- Instructions to use Clickshare (only available in the Pavilion at present)

The additional items below can be organised by emailing Customer Liaison: customersupport@horiba-mira.com

- Conference phone
- Clickshare dongles (Pavilion only)
- Microphones (Ground floor only)
- Pointers
- VGA mini adaptor

Hotel Bookings

Please email travel@horiba-mira.com who will be happy to provide you with details of hotels.
